Vodafone Protect & Connect S5 & S7

Manage your vehicle remotely & keep it secure 24/7

You've invested in your pride and joy. Now, you need the peace of mind knowing that it's safe: Vodafone Protect & Connect tracking systems monitor your vehicle so you don't have to.

In case of theft, the telematics system sends an alert to the Vodafone Automotive Secure Operating Centre which activates the tracking procedure, follows the vehicle movements in real time and supports local police to recover it.

The service is available 24/7 across more than 40 countries in Europe*, in your own language, even if you are abroad. The service includes My Connected Car, a dedicated mobile app that enables you to get easy

access to vehicle information such as real-time vehicle location, directions to the vehicle and geofence ability.

Vodafone Protect & Connect S5 is Thatcham accredited (S5 category) and recognised by the majority of leading insurers.

The service is available with a subscription. Interested? The first 12 months subscription is included with the device. You can also upgrade your subscription to 3 or 5 years. For more information including how to get a system fitted to your vehicle and service subscriptions, please contact our Sales Desk - details are in the 'Contact Us' section.

*Countries covered: list available on our website: automotive.vodafone.com

Vodafone Protect & Connect S5

You'll find a range of features and benefits to protect your vehicle with our Vodafone Protect & Connect S5, and extra protection with Vodafone Protect & Connect S5 Plus - see more on this below:

AUTOMATIC DRIVER RECOGNITION (ADR)

Alerts Vodafone Automotive immediately if your vehicle is stolen, even if the thief has your keys

THEFT HISTORY

In the event of a theft, our minute by minute theft tracking helps the Police secure convictions

PINPOINT GPS TRACKING

Accurate to within 10 metres.

INTERNATIONAL GSM COVERAGE

Roaming SIM card gives coverage across more than 180 countries

EUROPEAN COVERAGE AS STANDARD

Local Language Police liaison and recovery across over 40 countries.

TAMPER ALERT

Activated when the system battery is disconnected or discharged, or when the system wiring is cut.

INSURANCE APPROVED

Approved by major insurers

SYSTEM HEALTH CHECK

Regular automatic self-diagnostic check

TOW-AWAY ALERT

Triggered when motion is detected with the ignition switched off.

SPECIAL MODES

Activate Garage Mode or Transport Mode at the click of a button.

If your car is stolen without the ADR card being present, an alert will be sent to Vodafone Automotive's Secure Operating Centre. We will then attempt to contact you on the number you will have supplied at time of registration.

Vodafone Protect & Connect S5 Plus

Our Vodafone Protect & Connect S5 includes all the features and benefits you can see above. You'll also benefit from our Manual Engine Start Inhibit feature.

MANUAL ENGINE START INHIBIT

Activated by our Secure Operating Centre with Police authorisation, to prevent the engine from being restarted

Vodafone Protect & Connect S7

The S7 offers stolen asset location with pan-European Coverage as standard, pin-point GPS tracking to within 10 metres, tow-away alert, tamper alert and all the features of the My Connected Car App.

Installing your Vodafone Protect & Connect device for insurance compliance? Always check with your insurer, which device is required to comply with your insurance policy. You can also connect Vodafone Protect & Connect devices to our 4615P ADR Alarm - offering even greater levels of security and peace of mind.

My Connected Car Mobile app

Key Features

LIVE VEHICLE LOCATION

Including satellite Google Maps viewing

CAR FINDER ROUTE (DRIVING AND WALKING)

Can't remember where you parked? Car finder shows you the quickest way to get back to your vehicle

SPECIAL MODES

Simply activate Garage Mode or Transport Mode without the need to contact our Customer Services

TRIP REPORTS

See and export your latest and historical journeys, including distance travelled as well as average and maximum speed

SPEED ALERT

Set a specific speed limit and receive an in-app notification if you exceed that limit

GEOFENCE

Set a geofence zone and receive an in-app notification if your vehicle enters or leaves that zone

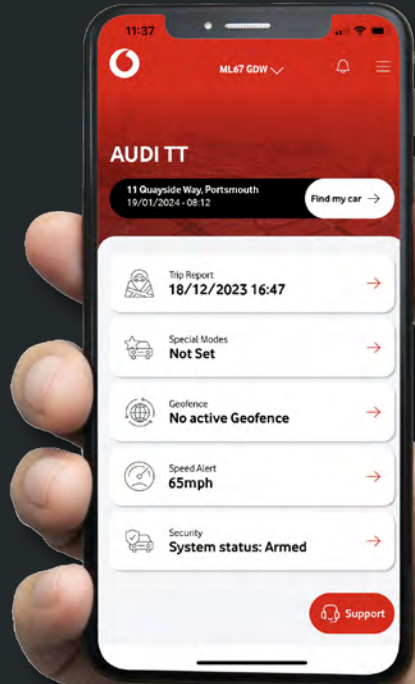

SELF-DIAGNOSIS

Perform your own system health check

DECLARE A THEFT

Direct to the Vodafone Automotive Secure Operating Centre

My Connected Car is compatible with most Android and iOS smartphone models.

The app can be downloaded for free on Play Store (Android) or Apple Store (iOS).

for iPhones and iPad

for Android smartphones
